Plans Call for Six Divisions In Europe, Marshall Declares

BLUEPRINT OF ARMY FIGURES IS REVEALED

Washington, Feb. 15—(AP)—Administration plans contemplate that six U. S. army divisions—triple the American forces now in Europe—will serve with the combined Allied armies being organized to defend western Europe against possible Communist aggression.

Secretary of Defense Marshall gave the figure which means sending over four additional divisions, to the senate foreign relations and armed services committees today. He said he did it "reluctantly" but in belief it was better than to have a debate over uncertainties.

Marshall gave no over-all figure as to number of men. But an American army division consists of about 18,000 men. In addition, support elements—supply and maintenance, communication, transportation and other units—are needed to keep combat forces in a state of readiness.

The United States now has in Europe the first infantry division and a constabulary force—equivalent to a second division—trained and equipped for field combat, yet the last official indication of troop strength in Europe was about 97,000 men. Thus more than 60,000 men of the present force presumably are in support elements.

The senate committees are considering whether congress should adopt a resolution of some nature concerning the "troops-to-Europe" issue. Marshall was the first witness at hearings.

In ripping the top-secret label off this much of the government's blueprint for defending western Europe, Marshall emphasized that the aim of the forces is to keep the peace.

He said the intention is:

1. "To deter aggression if that be possible, and

2. "To defeat aggression if, in spite of all our efforts, the actions of the Soviet union or its satellites should precipitate another world war."

As to any congressional stand, Marshall strongly urged that the legislators should not do anything

Attlee Regime Faces Crucial Test in Vote on Rearmament

BULLETIN

London, Feb. 15— (AP) — Winston Churchill went gunning for the Labor government in debate today, pressing his motion of no confidence in the regime as unfit to carry out "an effective defense policy." Floor leaders for Prime Minister Attlee's government were reported to have told Attlee they were fairly sure they could avoid a defeat in the house of commons which could force new elections. Opening the attack in the house debate on his motion, Churchill declared that the placing of the iron and steel industry under state control, effective today, intensified Britain's problems in a time of international crisis.

London, Feb. 15—(AP)—Prime Minister Attlee's regime faced its most critical test today as left-wing Laborites threatened to bolt ranks in a no-confidence vote on the government's handling of Britain's rearmament program.

The showdown comes tonight in a house of commons vote on the no confidence motion introduced last night by Winston Churchill.

It is particularly critical because the government, with a margin of eight in the house, is threatened with defections of some 20 leftwing socialist MP's who have been muttering for the past three months that plans to rearm Britain are contrary to socialist principles.

The government has threatened any Socialist MP who abstains from voting with withdrawal of party support and has even ordered six MPs, who are ill, to show up for tonight's vote.

The big qestion in commons lobbies today was "will Attlee's leftwing MP's abandon him?"

Most parlimentary correspondents said "no."

WIFE OF GOV. FINE SUBMITS TO SURGERY

Philadelphia, Feb. 15— (AP) — Mrs. Helen Morgan Fine, wife of the Governor of Pennsylvania, underwent two brain operations within eight hours today at University of Pennsylvania Hospital.

As the second operation began at 10:30 a. m., doctors said it might require as long as three hours.

They did not report on Mrs. Fine's condition. The governor was at the hospital where he has remained since escorting Mrs. Fine here in a hurry-up trip from Harrisburg last night.

Mrs. Fine reached the hospital about 10:45 p. m. A medical conference began shortly afterwards, and Dr. Francis P. Grant began at 2:30 a. m. the first of two operations.

He described that operation as "preliminary and exploratory." And he said later that doctors "suspect an intracranial lesion, possibly a hemorrage."

Dr. Grant is professor of neurosurgery at the Medical School of the University of Pennsylvania.

Mrs. Fine, who is 40, was rushed here last night from Polyclinic Hospital at Harrisburg.

A medical conference including some of the nation's outstanding neurologists and surgeons was held after Mrs. Fine arrived here by ambulance last night. Governor Fine accompanied his wife on the trip and state police escorted the ambulance in a 70-mile-an-hour ride across the eastern extension of the Pennsylvania Turnpike.

Also in the party were Dr. Gale C. Staley, Mrs. Fine's personal physician, and Dr. Russell E. Teague, who has been appointed state secretary of health by Governor Fine.

Dr. Grant was notified of the case and asked to examine Mrs. Fine about 8 o'clock last night. He was at the hospital when she arrived and began the operation about 2:30 a. m.

A source close to Governor Fine said that Mrs. Fine has not been feeling well for several weeks. She was quite ill on Tuesday, this source said, but rallied and was believed recovering until she suffered a relapse yesterday afternoon. It was then she was taken from the executive mansion to Polyclinic Hospital at Harrisburg.

RELIEF COLUMN PENETRATES CHINESE RING AT CHIPYONG

HELP REACHES UNIT HOLDING VITAL ANCHOR

Tokyo, Feb. 15—(AP)—An Allied relief column smashed through a Chinese Red ring today to reinforce American and French forces holding the Chipyong anchor on the central Korean warfront.

The relief force battled eight hours before breaking through to the Chipyong perimeter at 5:30 p. m. (3:30 a. m. EST.) The action began five miles south-southeast of the town.

The hard-hit Chinese finally broke and ran.

Chipyong, 35 air miles east-southeast of Seoul, is the left flank anchor of a 20-mile Allied defense line stretching over snow-mantled hills and valleys to Wonju, key to the central mountain passes.

The American-French garrison stoutly withstood two days of massed Red infantry assaults to help break the back of the drive aimed at cracking the central front. The Communist push was stopped Wednesday.

Red casualties were counted at 10,593 on all fronts Wednesday. It brought to nearly 100,000 those killed, wounded or captured since the Allied limited push by hunter-killer columns began Jan. 25.

On the western front, American doughboys and artillery wiped out 400 Chinese who sneaked across the Han river Wednesday night near Seoul.

It was the second consecutive and disastrous Red attempt to cross the icy stream near the burned-out former capital. More than 1,100 Korean Reds were killed there in a foray early Wednesday.

Elsewhere on the frigid front Allied forces were making limited counter-attacks. AP Correspondent Tom Bradshaw reported American troops attacking with hand grenades, took high ground northeast of Kyongan, 17 miles southeast of Seoul.

The Reds tried twice to retake the hill—No. .578, named for its height in meters—but had not succeeded by noon Thursday.

The tenth corps bore the brunt of the four-day massed Communist

Service Awards Presented Nine Lions Members

★ ★ ★

Monarch chevrons, representing 150 years of service to the Warren Lions Club, were presented to nine members at the organization's annual St. Valentine's Day dinner at the YWCA last night. More than 40 members and their wives and sweethearts were present.

The service awards were presented by the Rev. Arch R. Hillard, of Erie, past Pennsylvania Chairman of Lions International. The recipients of 25-year emblems are shown with Rev. Hillard in the front row of the above Times-Mirror photo. They were, left to right, Gus Borg, Homer Mohr, Rev. Hillard, and George Frantz.

Those receiving 10-year pins (second row, l. to r.) were E. G. Garber, Guy McKinley, Glenn Patchen and Paul Yagge.

Not present when the picture was taken were H. M. Miller, 25-year veteran, and Al Clark, 10-year veteran.

Dr. James Giunta, president, presided at last night's dinner session, and an entertainment program was presented under supervision of Robert Shiels in cooperation with Carroll Fowler, director of vocal music in Warren senior and junior high schools.

The program numbers by a vocal trio, Carol Barrett, Ann Dalrymple and Anne Israel, with Stavroula Fanos as accompanist; tenor solos by Jim Cooney with Johan Stohl as accompanist; and a vaudeville team, Kenny Williams and Martin Carlson.

Homer Mohr, representing the Warren County Tuberculosis Society which the club sponsors, reported that receipts from the sale of TB Christmas Seals have passed the $11,000 mark. He said this is the largest amount ever collected in the history of the project

Car Owned by Missing Bradford Doctor Found

Warren State Police have been alerted in a 13-state search for a missing Bradford physician, centering today in the Salamanca, N. Y., area.

Salamanca became the focal point of the hunt when the black 1949 Pontiac sedan owned by Dr. Luke D. Garvin, of Bradford, was discovered by police in a Sycamore Avenue parking lot, about seven o'colck Wednesday.

The forty-eight-year old physician, whose home is at 5 Parkway Lane, Bradford, has been missing since Monday noon.

At the time of his disappearance, Dr. Garvin, who reportedly has a heart condition, was wearing a glen plaid suit, light brown topcoat and hat.

Dr. Garvin is five feet seven inches tall, weighs 140 pounds and has a scar over his right temple at the hairline.

House Committee Studies Senate's U. M. T. S. Measure

Washington, Feb. 15— (AP) — The house armed services committee set out today on a "paragraph by paragraph" study of the Universal Military Training and Service (UMTS) bill approved by its opposite number in the senate.

The measure, which would allow drafting of 18-year-olds and extend the period of military service, cleared the senate armed services committee yesterday by a 13 to 0 vote. No time has been set for senate debate.

The house group then ordered

Last-Ditch Fight for Life in Federal Court Staves Hanging of Seven Nazis

Landsberg, Germany, Feb. 15—(AP)—A last-ditch fight for life in a federal district court in Washington today staved off the scheduled hanging of seven German war criminals at a U. S. prison here.

Col. W. R. Graham, prison commandant, said that as long as the U. S. court considers a habeas corpus action filed by an attorney for the seven condemned men, the executions will be stayed.

The seven—former SS officers and concentration camp officials accused of murder of thousands of civilians during World War II—originally were to have gone to the gallows Tuesday night. The hanging was put off until last night, then postponed again because of the men's legal struggle.

The U. S. Court denied a habeas corpus writ on Tuesday. Yesterday Attorney Warren MaGee filed an appeal in Washington appealing this decision.

(Technically, MaGee's action was a notice of intent to appeal from the District court to the Court of Appeals here. He said in Washington today the defense and the government will have 40 days under court rules to submit records and get the case before the appeals court. There would be additional time after that in which the appeals court would make its decision.

(MaGee told reporters he intends to "act as promptly as possible" in getting the records to the District court for submission to the higher tribunal).

The court had held that habeas corpus did not apply to enemy aliens. The seven prisoners claim they lost their German citizenship through their American conviction at Nuernberg.

Prison authorities expressed belief that notification of the final court decision might not arrive before next week at the earliest. Previously some American officials had anticipated a quicker termination of the court fight.

MASSAGING KEEPS TOT'S HEART BEATING

Indianapolis, Feb. 15—(AP)—A surgeon stopped an appendix operation on a two-year-old girl for 30 minutes yesterday and kept her heart beating by massaging it.

Dr. Joseph S. Bean, medical director at General Hospital, said the operation on the child, Cleair Mitchell, was almost finished when her heart stopped beating.

Dr. Bean said a surgeon, whom he did not identify, made a two-inch incision in the girl's chest and massaged her heart until it started beating again. Then he finished the operation to remove her severely infected apepndix.

Historic Catholic Church is Gutted

Pittsburgh, Feb. 15—(AP)—Fire raged through St. Joseph's Catholic church today, gutting the historic structure while hundreds of children recited the Rosary in their nearby classrooms.

Scores of firemen from all sections of the city fought the flames in the Mt. Oliver section. At least four firemen suffered minor injuries.

Fire Chief William H. Davis estimated loss at approximately $250,000.

The fire was discovered at 9:10 a. m. Within 30 minutes there were six alarms—all that are sounded over the fire alarm system—bringing equipment from all over the city. A seventh alarm was made by telephone.

Parish priests carried out the golden chalice containing the Holy Eucharist and other sacred vessels.

Several high school students carried priest's cassocks from the rectory near the church.

The church was one of the oldest in the Pittsburgh Catholic diocese, having been dedicated in 1870.

New York Couple Held in Plot On Life of President

New York, Feb. 15—(AP)—Secret Service agents have seized a man and wife whose Bronx home was described as the Puerto Rican Nationalist party nest where the Truman assassination plot was hatched.

The couple is charged with obstruction of justice. They are John Correa, 53, and his wife, Mary.

Federal Judge Edward Weinfeld opened a sealed indictment naming the Correas in connection with the plot leading to the gunplay outside Blair House last Nov. 1.

(Turn to Page Twelve)

Threat Phoned To Witness In Inquiry

Pittsburgh, Feb. 15—(AP)—Sam Ruta, former city laborer and a key witness in the Duncan McCarter free work hearing, is under police guard today.

Ruta told the Civil Service Commission yesterday he had been threatened with death by an anonymous telephone caller.

The ex-city worker said the incident occurred Tuesday afternoon, just after he arrived home from the Commission hearing.

The call came from a man, Ruta testified, but he could not identify the man.

"What did he say?" asked City Solicitor Anne X. Alpern.

Ruta answered: "He said, 'what did you do this morning? I'll kill you.' Then he hung up."

In his testimony before the commission, where McCarter seeks reinstatement in his $4,400 a year job as a supervisor in the bureau of highways and sewers, Ruta named six other city workers as having helped him do free work on city time on McCarter's home. McCarter has categorically denied the charges.

SAFETY-SLOGAN TIES FOR AUTOISTS HALTED

Asbury Park, N. J., Feb. 15— (AP)—A city magistrate flashed a stop signal yesterday on a shortlived police plan to hand out safety-slogan neckties to errant motorists instead of summonses.

In forbidding the practice to continue, magistrate Eugene Capibianco said it was a "mockery of the judicial process."

The ties were liberally covered with brightly-colored stop signs, speed limit signs, traffic lights and highway markers.

Police Chief Fred Lembke said the ties were a gag. He said out of four cravats made up as part of a safety campaign Monday only one was handed out to a motorist.

WOMAN 73, KNOCKED UNDER AUTOMOBILE

Pittsburgh, Feb. 15 — (AP) — White-haired Mrs. Yetta Thorton, 73, was knocked under a car. The auto had to be jacked up so she could be removed.

Uninjured, Mrs. Thorton brushed off her clothes and left the scene. Police found her working in a cleaning shop. They said she should go to a hospital. Said Mrs. Thorton:

"Seems like a lot of fuss."

After an examination she returned to her home.

Building Controls to Combat Inflation And Save Materials Are Effective Today

Washington, Feb. 15—(AP)—Two building controls aimed at combatting inflation and saving materials for defense became effective today.

One requires federal licensing for new commercial construction. The other requires a 50 per cent cash down payment on a vast range of non-residential construction.

The licensing system replaces a general ban that has been in effect on most such building since Jan. 15.

The credit-tightening order applies to stores, offices, hotels, banks, warehouses, garages, service stations, restaurants, theaters, clubs and "other new structures used for non-residential purposes."

The order was issued yesterday by the federal reserve board.

Types of construction affected also include:

Motels and tourist camps, barber and beauty shops, laundry and dry cleaning establishments, shoe repair and tailor shops, undertaking and cemetery buildings, community and neighboring buildings, retail stores and shopping centers, and storage warehouses for personal effects.

Construction costing less than $5,000 in 12 months is exempted from licensing controls but not from the new credit curb. This specifies that not more than 50 per cent of a new non-residential construction job may be financed by borrowing.

The same limitation applies to non-residential repairs, enlargements or reconstruction if they exceed 15 per cent of the appraised value of the existing structure.

The credit controls will be administered by the 12 federal reserve banks and their 24 branches across the nation.

TROLLEY-TRUCK CRASH

Pittsburgh, Feb. 15— (AP) — A 56-year-old Pittsburgh woman is in serious condition after a streetcar-truck collision on the North Side in which four other women were hurt. Hospitalized by last night's crash, was Mrs. Carrie Leonard. A steel rod on the truck ripped into the side of the street car.

School Aid Fund Would Soar Another $65,000,000 Under Bill Now in Assembly

Harrisburg, Feb. 15—(AP)—Pennsylvania's $112,000,000 a year school-aid cost would go up still another $65,000,000 in the next two years under legislation before the general assembly today.

A house bill, backed by the Pennsylvania State School Directors Association, would establish an immediate $550 boost in maximum school subsidy grants.

The present maximum state subsidy for a teaching unit in Pennsylvania is $3350 with an increase to $3450 set for next year under state law.

The school directors bill would boost the maximum for next year up to $4,000 and continue each year thereafter with additional $200 increases until a permanent maximum of $5,000 is reached for the school year 1956-57.

The estimated cost to the state of each $100 increase in school subsidy grants is $5,000,000. Using this as a calculating base, the proposed legislation would add $27,500,000 to the state's $112,000,000 school-aid next year. The cost would continue to climb at additional $10,000,000 jumps each year thereafter until 1957.

A spokesman for the school directors association said the subsidy increase was calculated to help school districts meet "anticipated salary schedules" in the years ahead.

FUEL TAX REFUNDS GOING OUT THIS WEEK

Harrisburg, Feb. 15—(AP)—Cities, boroughs and townships in the state will start receiving $2,500,000 in fuel tax refunds on Friday from the State Highways Department.

Payments will be restricted to those municipalities which have filed reports in compliance with the law.

The department said the funds for Clairton, Connellsville, Carbodale, Oil City and Jeannette will be withheld because the cities have not filed reports.

BABY BOY VALENTINE FOR POLIO PATIENT

Denver, Feb. 15—(AP)—Mrs. Joanne Russomano, who is partly paralyzed from polio, has a wonderful Valentine—a six-pound, 14-ounce son.

The baby was born yesterday. Mrs. Russomano and her husband, Frank, were married in May of 1949, and three weeks later she was stricken with polio. One arm and both legs were paralyzed.

Pregnancy inspired her to do the exercises prescribed for her paralyzed limbs and in a few months she could get around with braces and crutches and soon after one of the braces was discarded.

GEORGE WASHINGTON HAS BROKEN ROMANCE

Kansas City, Feb. 15— (AP) — George Washington, who was arrested on Lincoln's birthday appeared in court St. Valentine's day and blamed a broken romance for his trouble.

Washington, whose arrest occurred on Truman Road, answered charges of carrying concealed weapons and creating a disturbance. He said the disturbance began after he informed his girl friend their romance was over.

Combat Casualties In Korea 48,035

Washington, Feb. 15— (AP) — Announced U. S. combat casualties in Korea rose to 48,035 today, an increase of 647 in a week.

The total which reflects notifications to families through Feb. 9, included 7,245 killed in action, 31,395 wounded and 9,395 missing.

Of those on the wounded list, 826 have since died and 83 of the missing are known dead, raising total U. S. combat deaths for the campaign to 8,154.

VISITORS FROM ENGLAND

Lieut. Col. Henry C. Kerlin and wife, of London, England, are visiting the latter's mother, Mrs. Maude Lavery, 124 Water street. Col. Kerlin is a member of the Joint American Military Advisory Group in Europe, and plans to fly back to London next Monday. He is a veteran of World War II, and has been associated with the embassy in London for some time.

Ordinance Providing For Re-Districting Penn'a Ave., W., Passes Two Readings

Warren borough council, meeting in special session at the Municipal building last night, approved on two readings an ordinance providing for the re-districting of a section of Pennsylvania avenue, west, from a residential zone to an unlimited commercial area. The ordinance will come up for third and final reading at the March 5 meeting of council.

The ordinance, approved unanimously on two readings following a public hearing conducted by the solons, provides for re-districting of Pennsylvania avenue between Laurel and Beech streets as an unlimited commercial zone.

This is in line with a petition submitted by Milburn E. Anderson and other property owners, and was recommended to council by the Zoning Commission.

However, a request by the same parties that the Pennsylvania block between Hazel and Laurel streets be re-zoned from its present limited commercial classification to that of unlimited commercial was denied. This also was in keeping with a Zoning Commission recommendation. The commission said this block should remain limited commercial to serve as a buffer between the residential areas and the unlimited commercial zone.

Hong Kong Observers Curious About Whereabouts of Red China Leader Mao

Hong Kong, Feb. 15—(AP)—Observers of the China scene began to express curiosity today about the whereabout of Red China leader Mao Tse-Tung.

They noted he had failed to appear at three important functions in the last couple of days.

Reports in this strategic vantage point said last month that Mao had gone or was going to Moscow to confer with premier Stalin on the Korean war and other Asiatic developments.

The reports appeared to have been the result of speculation at the Chinese Nationalist capital, Taipei, and were not regarded seriously here at that time.

Mao's last known public appearance in Peiping was Jan. 26 when he attended the celebration of Indian National day.

The huge Chinese-sponsored celebration of the first anniversary of the Chinese-Soviet treaty signing was held last night in Peiping. Nearly all the Chinese Communist government and party leaders were reported there, along with all foreign diplomats. But not Mao.

Two hours earlier, Russian ambassador N. V. Roshchin gave a cocktail party at the Russian embassy. Reports listed Chinese Red government and party leaders there up to Premier Chou En-Lai and Gen. Chu Teh, the Reds' army commander. But not Mao.

On Tuesday, Hugo Valvanne, Finland's envoy to Red China, was received officially in Peiping, but not by Mao.

Plans Completed For Northwest District Basketball Conference Here Saturday

This Saturday the Warren Hi-Y Club will again play host to the Northwest District Basketball Conference. Plans are completed for the affair, except for registering one more team to finish out the eight-team schedule. Included so far are the Alpha and Beta teams from Warren, Mercer, Meadville, Oil City, Franklin and Millcreek.

James C. Hengst, boys' work secretary, John Stachowiak, high school advisor, and a committee of Hi-Y members have made the arrangements for the conference and the entertainment for the members during their one-day stay here.

Teams register at the Y at 9 o'clock Saturday morning, after which a group picture will be taken. Games will get under way at 10 o'clock on the Y and Beaty gym floors, with two more scheduled at 11 o'clock.

At noon a committee of girls from the Youth Canteen will serve the lunch preceding afternoon games at 2 and 3 o'clock. Then at 5:30 the conference banquet will be held, with singing, announcements of future Hi-Y plans, and the showing of a film, "Highlights of Basketball."

The championship contest is slated for 7 o'clock at the Y gymnasium for the two finalist of the days' games, the winner receiving the Warren Times-Mirror Clean Athletic Trophy, given by W. A. Walker of the Times Publishing Company.

Delegates will be guests of the Canteen for the evening, dancing starting at 8:30 o'clock, with the trophy being presented its winner at 10 o'clock.

The Hi-Y Basketball Conferences were resumed in 1949 by the Warren club after a lapse of eight years during the war. Oil City was the victor that year by a one-point margin over the Warren team and won again in 1950 to keep a similar trophy given by Mr. Walker at that time. So again Warren takes the initiative to continue this worthwhile phase in Pennsylvania's youth program when this Saturday arrives.

Earthworms survive the winter by going deep into the ground and clustering together.

BIGGEST BARGAIN IN WARREN

Employment Data Shows Moderate Gains During January in Industries of Area

Employment data provided by 49 major Warren county firms reflected moderate gains during January, according to a report released today by David W. Levine, manager of the local Pennsylvania State Employment office. The net increment for these establishments included in the survey was 143 workers or 2%. All categories, save the retail and wholesale trades, indicated gains, with the most significant being made by building contractors and manufacturers. There are currently 149 more males on the payrolls of these firms than during December.

Claims for unemployment compensation filed last week totaled 314 as compared with 212 a month ago. The volume for February 1, 1950 was 930 or approximately three times the current tabulation. recent upswing in claimants is attributable to temporary layoffs due to low gas pressure in one plant and tank repairs at another. This type of furlough, Mr. Levine stated, is not considered a separation by personnel men and the persons affected are included in employment figures. The latter fact accounts for the paradoxical situation of having a rise in joblessness in the face of improved employment levels.

Mr. Levine estimated unemployment for the Warren sector at 700 or 5% of the labor force (those employed or seeking work). He remarked that despite the numerical surplus there is a shortage of skilled male workers while the supply of female clerical and sales people is small.

On the basis of information available from employers, Mr. Levine commented that a speed-up in national defense production and seasonal influence will effect further rises in area jobs in the next sixty to ninety days. A balance between labor supply and demand is in prospect with a widening of the scope of shortage occupations.

'GOOD' POSTURE GOES INTO A SLUMP

Once in a long while some really comforting news comes along. Dr. Paul Williams of Dallas is the source this time.

What he says is that if you want to avoid a pain in your back, assume a slight slump when you sit down and walk bent somewhat forward.

He declares:

"We've all been harped at to throw our shoulders back, throw out our chests and sit perfectly straight in chairs. Actually these postural habits have been devastating because they disregard anatomical facts."

We won't go into the details as to why it's better to avoid the ramrod posture. It's enough to hear that it is better.

Is there anything more warming to the spirit than learning that what you always thought was a bad habit is really a very sensible thing? We nominate Dr. Williams as author of the Best Prescription of 1951.

READ THE ADS AND SAVE MONEY

Be sure and read the advertisements in today's Times-Mirror thoroughly!

If you do, you will suddenly become "Dollar Happy" and thrill to the fact that tomorrow marks the first of two of the biggest shopping days here since the Christmas gift season.

Forty Warren merchants are going "all out" to produce a smash-hit on Dollar Days, and this fact is verified by a study of the numerous values advertised in today's issue.

The advertisements list values for the entire family, and the opportunity is offered the general public to take advantage of a unique merchandising event, that doesn't occur every day of the week.

Read today's advertisements carefully. You'll agree with the news you've just read!

This is the 53rd anniversary of the sinking of the Battleship Maine, which touched off the Spanish-American war of 1898, and it is gratifying to note that appropriate recognition of the historical event is planned by the Veterans of Foreign Wars this evening when members will stand at attention at 9:40 in remembrance of the men who gave their lives and services in the nation's cause. It was 9:40 p. m., February 15, 1898, that an explosion rocked the battleships and sent it to the bottom of Havana harbor.

According to the Wall Street Journal an emblem manufacturers' group says the Pentagon brass won't allow them enough brass to turn out military insignia for servicemen!

The cry of the menfolk who pay for milady's permanent—long live the kink!

LENTEN SERMONETTE

THE REV. C. J. FRANZEN, Youngsville

JESUS IN GETHSEMANE

The gospels of Matthew, Mark and Luke give a vivid account of the events in the garden of Gethsemane. We shall not enter upon a detailed discussion of what took place but confine ourselves to what Jesus experienced during the moments preceding His seizure.

What these experiences were are clearly expressed in His own words, "My soul is exceeding sorrowful, even unto death." The cross with its inexpressible torment had already gripped His soul, not to mention the taunts of the unbelieving mob for whose sins He the innocent one was about to give His life. The behavior of His three disciples whom He had taken with Him gave Him no consolation; for while He was in agony of soul, they fell asleep, unmindful of their Master.

Here as on other occasions Jesus turned to his heavenly Father in prayer. He advanced a short distance, fell on His face and poured out His soul before God saying, "My Father, if it be possible, let this cup pass away from me: nevertheless, not as I will, but as Thou wilt. My Father, if this cannot pass away, except I drink it, Thy will be done." Three times He prayed the same prayer. Three times He closed His prayer with the same words, Thy will be done," and three times He returned to His disciples and found them sleeping.

It was in the garden of Gethsemane that Jesus made His final preparation for His sacrifice on the cross. It was here that He won his great victory which made it possible for Him to endure the suffering of the cross. It was here that He subjected himself completely to the will of the Father and became the Redeemer of the world.

Jesus was compelled to struggle with God alone. He received no assistance from his friends. Similarly, the human soul must always be alone with his God, free from the disturbance of all external influences.

YEARS AGO

Interesting Items Taken From The Warren Evening Times

1931

William H. Haines, D. D. S., announces that he has opened an office in Room 502, Warren Savings Bank building for the practice of dentistry.

The annual Father and Son banquet sponsored by the Men's Brotherhood of St. Paul's Lutheran church, and held last night, was declared by everyone present to be one of the most pleasing events in some time.

Members of the Zonta Club were hostesses at an enjoyable benefit card party at the Y, the entire proceeds going to the Warren Relief Association.

The president, Mrs. E. G. Frick, had charge of the meeting held by the Tiona-Weldbank PTA last evening.

Twenty-four tables of bridge and five hundred were enjoyed last evening at the Valentine card party given in the Legion Home by the ladies of the Auxiliary. Prizes were awarded to Mrs. S. O. Johnston, John Murphy, Mrs. William J. Mulvey and Joseph Vescio.

Miss Violet Anderson entertained the members of her bridge club at her home on Irvine street.

The Valentine number of the Blue and White, published by the students of Warren High School, made its appearance today. The name and picture of Miss Eugenia Kehr appear in the "Hall of Fame" department, a choice that meets with approval among students and readers in general.

Here And There

A couple of items from The Evening Times of fifty years ago today should arouse memories for older readers and be of interest to the younger generation. One of them says: "The Wendleboe building on Liberty street is rapidly nearing completion and a large force of men is engaged there daily. The interior work is nearly completed and already The Mirror is moving in part of its heavier machinery, preparatory to their occupancy." The second paragraph says: "One of the finest of recent additions to Warren's buildings is the new warehouse erected by the Smith, Horton & Co., and into which they are now moving from the Mill building, occupied by this enterprising firm since they embarked in business. The six floors of the new building are admirably adapted to the purposes for which they are intended, a gas engine has been installed, is running and the elevators are also in operation."

This 'N That: The Washington-Lincoln PTA has plans complete for another of those popular card parties on the evening of February 22 at the Lincoln school, Clarendon Heights, when patrons may play either bridge, canasta or "500", with prizes for winners, as well as a door prize and refreshments. . . . Automobile owners are receiving license application forms from the Bureau of Motor Vehicles in Harrisburg and the tags may be used on and after March 15, although the 1950 plates are legal until March 31.. . . According to exchanges area trappers are ex-

— STEIN'S DOLLAR DAYS —

National Forest Story Related to Bradford Kiwanis

Richard J. Costley, of Warren, supervisor of the Allegheny National Forest, Tuesday addressed Bradford Kiwanians and their guests at the noonday luncheon at the Hotel Emery on the story of the great 500,000 acre National Forest.

Remarking that too few people really fully appreciated the half-million-acre forest established in 1923 by order of the late President Calvin Coolidge in northwestern Pennsylvania, Mr. Costley outlined the difference between the U. S. Park Service and the U. S. Forest Service, both administered by the Department of Agriculture on a most efficient basis.

The National Park system, he declared, is set aside exclusively for its scenery, its geologic formations, and its great stands of timber for perpetual preservation, and for the public to enjoy at a minimum cost; whereas the National Forests are established "for the best interests of all the people in the long run' from the point of view of their use for timber, forage, fishing, hunting, and recreation.

Allegheny National Forest, said classification, with its timber and the speaker, falls in the latter watershed domain as the prime considerations. It is just one of the 151 National Forests in 42 states of the U. S. A. whose origin was largely due to the efforts of President Theodore Roosevelt.

Most of the more than 500,000 acres in the Allegheny National Forest was purchased by the government from the landowners at a price averaging from $2—$3 per acre, and it still includes within its vast boundaries certain privately-owned lands which have not been acquired, said Mr. Costley. All timber is cut on a selective basis, and sold, with the result that over the 27 years of existence of the Allegheny National Forest, the new timber growth is now already providing commercial timber which is more than paying the operation of the entire forest's cost and management.

The speaker concluded by urging his listeners to take every advantage of the nearby National Forest facilities, stating that the citizens of Bradford were fortunate in having such a vast National Forest at their backdoor.

Lawn tennis was introduced to the United States in 1874 by Mary E. Outerbridge, according to the Encyclopedia Britannica.

Sleeps Like a Log!

BY CORRECTING LACK OF VITAMINS B_1, B_2, IRON AND NIACIN

Insomnia from upset stomach, aches and pains, due to a deficiency of Vitamins B_1, B_2, Iron and Niacin, is no fun. It drags you down, wears you out, leaves you pepless and out of energy. But Henry Duke, Route 1, Diamond, Missouri, as so many thousands suffering from such deficiencies, has found the answer in today's great HADACOL.

He writes: "Will recommend your HADACOL. I have used it for some time. Guess I have taken 12 bottles or more and it's great. I couldn't eat or sleep. So, now, I eat plenty and sleep like a log. I really think it's wonderful. I buy a bottle every week. But, I won't be without it. It has helped me all over, and I do praise it. I work at the marble and rock quarry and since I tave been taking HADACOL I feel more like working. My age is 56. I would like for everyone to know what HADACOL is and how it helps people who take it."

Trial size only $1.25; large family or hospital size, $3.50.

Deputy Collectors Are Busy Assisting Taxpayers of Area

For the past several weeks, the local offices of Deputy Collectors of Internal Revenue, Rooms 203 and 203-A, P. O. Building, have been kept busy assisting federal income taxpayers with the preparing, filing and information regarding current income tax returns.

The local offices will be open every day, Monday through Friday, from 8:30 a. m. to 5 p. m., and taxpayers are asked, in order to get quick service, to have all items of income and deductions listed and added up so that returns can be prepared quickly and accurately.

A deputy collector will be at the following post offices for assistance of taxpayers:

Sheffield — Monday, February 26th.

Tidioute — Tuesday, February 27th.

Everyone, adult or child, who had $600.00 or more income in 1950 must file a return by March 15. Taxpayers needing assistance, are urged to call at local office early and thereby avoid the last minute rush.

CLASSIFIED ADS accepted until 11 a. m. on day of publication.

HANDS LACERATED

George Kennedy, Union City, employed by the Navarro Construction Company, was treated at Warren General Hospital for lacerations of the left index finger, sustained when glazed tile, with which he was working, broke in his hands. He was discharged following treatment. Sam Griffith, Clarendon, employed by Paramount Furniture Company, was treated for multiple abrasions of the left hand when a wrench slipped, pushing the hand into a machine knife. He was discharged following treatment.

AFFILIATE STUDY

Jerry Lias, student nurse at the WCA Hospital in Jamestown, is spending two weeks' vacation at her home, 105 Sixth avenue, before leaving for New York City to begin eight weeks of affiliate work at Fordham and Kingston Avenue hospitals.

Brooks Rocks Is Considered For Methodist Camp

Picturesque Brooks Rocks, 15 miles west of Warren, has been offered to the Erie Conference of the Methodist church as a possible site for development of camp grounds, according to word received here.

The news is disclosed with announcement that a decision on either sale or development of the site along Chautauqua Lake has been postponed until the next conference meeting opening in Meadville on June 13.

The special committee of ministers and laymen studying selection of a location now has three choices to consider. In addition to the Brooks Rocks location and the tract along Chautauqua Lake, which was purchased for $10,000 within the past few years, a 96-acre tract just above the Tionesta Dam has been offered to the conference by the Cropp Farms, Inc., for one dollar.

The unusual offer is said to have been made by the large milk and ice cream concern because of the possibilities of business development for the company if the conference, which would bring hundreds of Methodists to the camp each summer, should locate there.

While these three sites are the only ones being considered now, the committee is holding open the time for offers of other possible sites. Proposals for the sale or gifts of land to the conference should be made to Rev. Frederick W. Hunt, Meadville, executive secretary of the conference Board of Education.

The conference has $100,000 available for camp development and one of the problems to be solved is whether to use the money for a new start or spend it on development of the site below Point Chautauqua.

Defective shock absorbers may cause automotive steering trouble. To avoid such difficulty, they should be inspected regularly.

Times Topics

METER COLLECTIONS

City parking meters were tapped for $385.13 yesterday in the regular weekly collection by police.

INJURED IN FALL

Mrs. Richard Lowe, Willoughby avenue, sustained a back injury in a fall on the ice at Liberty and Second yesterday afternoon. She was not hospitalized, however.

HIT-RUN INVESTIGATION

City police have some leads and are investigating the hit-run damage of a car parked on Dartmouth street last evening. The rear fender and a hub cap were damaged by the unknown driver.

FALCON MANAGER

The Jamestown Falcons today announced signing of former Major League star Tony Lupien as Player-Manager for 1951. This will be Lupien's first managerial post in a career that dates back to 1939 when the Boston Red Sox signed the star Harvard 1st baseman off the campus at Cambridge where he was also a football and basketball luminary. Lupien's Major League career includes service with the Red Sox, Philadelphia Phillies and Chicago White Sox. While with the Red Sox in 1943 Lupien established an American League record by only grounding into 3 double plays in 154 games. In 1947 the Harvard Alumnus led the Pacific Coast League in runs scored, base hits, total bases and tied for the lead in stolen bases while batting .341. This performance earned him the Pacific Coast League's Most Valuable Player Award.

How Much You Can Save on Your Total Food Bill by Getting Storewide Low Prices on Hundreds of Items Every Day, Instead of Just a Few "Week-End Specials"?

Test Shop A&P!

Buy all your food and household needs at A&P for one week. Then compare the total cost with your usual weekly food bill. You'll save *any* day you shop. Because A&P not only offers storewide low prices on hundreds of items every day, but guarantees advertised prices for a full week, even though market prices go up. This guarantee applies to *all* advertised items . . . not to groceries alone, from Thursday through Wednesday . . . not merely for a few days.

All prices shown here, not merely grocery prices, are guaranteed – Thursday, February 15th thru Wednesday, February 21st

Customers' Corner

At this time each year we honor our founder, George Huntington Hartford, who gave us this basic policy:

"Always do what is honest, fair and sincere and in the best interests of our customers."

Today, as in our first store 92 years ago, the men and women of A&P strive constantly to live up to that policy.

If we should ever fail to do so, please let us know. Please write:

Program Is Held For the Girl Scout Neighborhood Club

Clarendon, Feb. 14—Mrs. C. C. Van and Mrs. Clarence Hendrickson were hostesses at the former's home to members of the Girl Scout Neighborhood Club, comprising Clarendon and Mead township, with a fairly good attendance.

Mrs. R. O. McBride, retiring chairman, conducted the business session, during which the following officials were elected to serve in the coming year: Chairman, Mrs. Basil West; vice chairman, Mrs. LeRoy Conn; secretary, Mrs. Lucy Fiscus. Concluding, a social hour was enjoyed and refreshments were served. The next meeting will be held Wednesday, March 7, at the home of Mrs. Hendrickson, Warren-Kinzua road, when a noontime tureen dinner will be followed by the business meeting.

Mrs. Shirley Thomas was very pleasantly surprised when her husband, Delbert Thomas, APAN, arrived home from California. Mr. Thomas is enjoying a 20-day leave after having been on the Aircraft Carrier Leyte in the vicinity of Korea for the past five months.

A number of local ladies attended the 60th anniversary of the WSWS held in Salem Evangelical United Brethren church in Warren. They report a very interesting meeting and lovely social time in the church parlors. A delicious lunch was served, the feature of which was a beautiful cake. Mrs. Verda Yagee and Mrs. Mabel Blair were two local women who assisted at the serving.

Mrs. Mary Jones, former Clarendon resident, who has made her home in Bradford for the past several years, is quite ill at the home of Mr. and Mrs. Leon Dykins.

Charles Jewell, Jr., has arrived home after spending some time in Miami and other southern points of interest.

Rev. Sprigg Harwood, of local Methodist church, expects to leave Friday for Pittsburgh, where he will spend a week assisting in the Evangelistic Advance.

Mrs. Belle Smith will entertain the Thrifty Club of the Evangelical United Brethren church at her home Friday.

Friends of Mrs. Ruth Ellis, Youngsville, will be pleased to learn she is recuperating nicely following a major operation performed in Warren General Hospital. Mrs. Ellis is a sister-in-law of Mrs. Jewell.

The Ladies' Aid of the Evangelical United Brethren church met at the home of Mrs. Marie Crocker to enjoy a delicious one o'clock lunch, with 13 present. The business meeting followed, with Flossie Larsen conducting devotions. A very interesting program was in charge of Mabel Blair, one feature of which was a vocal solo by Beulah Henry.

Mr. and Mrs. Charles Jewell, Mr. and Mrs. Donald Vicini, Mr. and Mrs. Delbert Thomas, Clarendon, Mr. and Mrs. Robert Bennett, Titusville, motored to Russell and attended a birthday dinner honoring Arnold Jewell.

Friends of James Patchen will be sorry to learn he is quite ill at his home, Anchor street

PENNSYLVANIA FARM ROUND-UP

By JOHN DEITRICK

Harrisburg—(AP)—A move is underway in Pennsylvania to set up a yardstick plan to guide draft boards in deferring farm workers.

The move is backed by the USDA council. The organization is composed of the various federal agencies which operate in the state, along with other organizations interested in agriculture.

After a meeting here recently, the council said a study of the deferment question has disclosed that "a guide for drafting farm workers is urgently needed."

The council emphasized, however, that any such yardstick should not be used by draft boards to defer any individual for work on a farm against his will.

The Pennsylvania state council of farm organizations already has gone on record favoring draft deferments for farm workers.

"If trained agricultural workers are drafted into the armed forces it can be expected that a shortage of food production will be the inevitable result," the council announced after its annual meeting here.

The governor's farm labor advisory committee is now working on the draft deferment problem for farm workers. The question is an important one since a shortage of farm workers already has been predicted for 1951.

Such a shortage could cut substantially into the state's agricultural output at a time when the war emergency requires all-out defense food production.

The Pennsylvania state employment service estimates that the annual farm labor requirements in a normal year in Pennsylvania are approximately 81,000 hired seasonal workers. The service estimates that as many as 10,000 of this force may have to be recruited outside the state this year.

The Cumberland county 4-H Baby Beef Club is the only organization of its kind in the state to complete 25 years of continuous service. Other 4-H baby beef clubs started earlier than the 1926 founding of the Cumberland Club but have records of lapses of a year or more.

The club has won six state grand championship baby beef titles.

Harry Flatt Has Family Party For 85th Anniversary

Corydon, Feb. 15—Harry Flatt, lifelong resident of Corydon and one of the community's pioneer citizens, observed his 85th birthday anniversary this week with a family dinner party held at the home of his daughter, Mrs. Anna Moore.

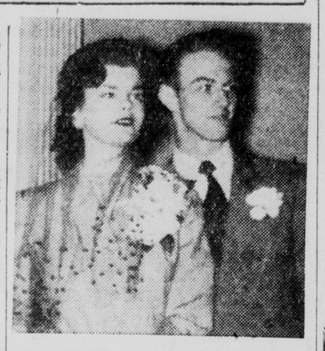

He has two other daughters, Mrs. Ethel Sipps, Salamanca, N. Y., and Mrs. Jessie Foltz, Great Valley, also two sons, Stanley, of Corydon and Albert, in Rochester, N. Y.

Mr. Flatt was born in Corydon a son of the late Morrison and Josephine Forbes Flatt, who were among the earliest settlers in the village.

For many years he was an employee of the Pennsylvania Railroad Company, taking his retirement a number of years ago. Gardening has always been a favored hobby with Mr. Flatt, along with the newspaper reading that keeps him abreast of the times.

He is enjoying good health and his many friends extended congratulations and best wishes for more of these happy occasions.

WHEN CALLING
Everts Hardware. Phone 1774.
2-8-6t.

NEWLYWEDS—Mr. and Mrs. Richard I. Randall, whose marriage took place February 2, are at home to friends at The Ravine Courts, Meadville. The bride is the former Rebecca Lee Carroll, daughter of Mr. and Mrs. Samuel L. Carroll, Macon, N. C., and Mr. Randall is the son of Mrs. Katherine D. Randall, 107 Jackson avenue, Warren.

PARENT-TEACHER UNIT HAS MEETING

The February meeting of St. Joseph's Parent-Teacher Unit was held in the clubrooms Tuesday evening, with Mrs. Santo Fadale, president, in charge. Final plans were made for the bake sale to be held at 10 a. m. Friday in the Metzger-Wright store, members to bring donations early or call Mrs. John Suppa or some member of her committee if pick-ups are to be made. A tureen dinner was planned for the March meeting, with Mrs. Marie McGarry and Mrs. Rhea Eggleston as chairmen of the committee.

Sheriff L. E. Linder was introduced as guest speaker, giving a very interesting talk concerning his office and the duties of sheriff. The different lines of work were explained and equipment used in various types of investigation was shown.

After the January attendance prize had been awarded to the eighth grade, refreshments were served by Mrs. John Suppa and her committee.

TIDIOUTE WOMEN'S MISSIONARY SOCIETY

Tidioute, Feb. 15—The February meeting of the Women's Missionary Society was held in the church, with luncheon at one o'clock in charge of a committee headed by Mrs. R. W. Smutz.

The president, Mrs. W. J. Prout, conducted the business session, calling upon Mrs. A. V. Clinger to lead the devotions. The hymn, "The Church's One Foundation," was sung, Mrs. Clinger read "The Beatitudes" and closed with a prayer from the book, "The Temple" by Dr. W. E. Orcherd. Miss Alice Siggins read "Perfect Blueprint for Happiness," which is based on The Sermon on the Mount; Mrs. Karl Merkle and Mrs. Eugene White sang the hymn, "Hark, the Voice of Jesus Calling." Mrs. F. Buckingham presented the film, "My Name is Ham," for which Mrs. Robert Fuellhart, Tionesta, brought her projector.

A social hour which followed included a gift exchange that provided much amusement.

FOUNDERS DAY AT STARBRICK MEETING

An enjoyable evening was spent by those attending the February meeting of the Starbrick PTA. A one-act play, "Deep Are the Roots," with the following in the cast, was presented by the program chairman, Mrs. Calvin Buerkle: Adah Sidon, Levi Trask, Helen Newark, Hazel Smith, Mildred Trask, Barbara Olson, Esther Sidon, Eleanor Jackson, Nancy Sidon.

The cake walk, a special feature of every Founders Day program, was won by Robert Keller. Levi Trask gave a report on the White House Mid-century Congress and, in conclusion, the following committee served lunch in the cafeteria: Mrs. Ruby Rieder, Mrs. Irene Gibson, Mrs. Marge Black, Mrs. Swanson and Mrs. Peterson.

EVENING OF MUSIC AT HARRIGER HOME

A pleasant evening was enjoyed at the home of Mrs. Ethel R. Harriger, North South street, when she entertained the younger group of her music class for a musicale and party.

The first part of the evening was given over to music, followed by refreshments. One of the adult pupils, Mrs. Twila Chapel, assisted the hostess in the serving. Favors were Valentines and plastic baskets filled with Valentine candies.

Those taking part in the musical program were Phillip Jewell, Carol Ansel, Kay Anthony, Richard Smith, Lucile Rieder, Rosanna Oberg, Terry Cruickshank, Avonelle Burke, Patty Fox, Dennis Mong, Mary Anderson and Sharon Anthony. Vocal numbers were given by Rosanna Oberg, Mary Anderson, Avonelle Burke and Lucile Rieder, accompaied by Mrs. Harriger. Because of the icy highways, a number of the younger students from out of town were unable to be present.

HOSPITAL AUXILIARY

The Women's Auxiliary of Warren General Hospital will hold its regular work meeting in the nurses' home at 1:30 p. m. Friday and invites all interested friends to join in the session.

Former Local Marine Weds Jamestown Girl

Mrs. Frank Hammond, 402 Curtis street, Jamestown, has announced the marriage of her daughter, Roberta Harriet Baker, to Pfc. Francis Joseph Wall, United States Marine Corps, Jamestown, son of Joseph Wall, Warren.

The military nuptials took place at 4 p. m. Saturday, February 10, in Grace Evangelical United Brethren church, Jamestown, the Rev. Vincent F. Pomeroy performing the double ring ceremony in the prescence of 100 guests. The date also marked the bride's birthday anniversary.

Attending the bride were her sister, Mrs. Clifford C. Goossen, Rochester, N. Y., as matron of honor; Eleanor Wall, Warren, sister of the bridegroom, and Barbara Reid Rochester, fiancee of the bride's brother, who were the bridesmaids. Theodore E. Baker gave his sister in marriage. Groomsmen were Jerome Johnson, best man; the bride's brother, Roger L. Baker, and the bridegroom's brother, Harold Wall, as ushers.

The reception for 75 guests followed in the church parlors. Serving as aides were Mrs. Clyde Hammond, Falconer; Mrs. Earl Dodson and Betty Casey, Rochester; and Nancy Olsen.

Later, the couple left for a short honeymoon. Graduate of Jamestown High School, Pvt. Wall is home on 10-day leave from his Marine Corps assignment. His bride is employed in the payroll office of the Jamestown Malleable Iron Company.

Talent Recognition Show

Another competive exhibition of the work of Warren county artists will he held by the Woman's Club May 17, 18 and 19. This is the fourth annual exhibition sponsored by the club to provide opportunity for amateur artists and art students to present their talents to the public.

Any Warren county amateur artist is welcome to submit one to three pieces of his work. There is no entry fee and the show is open to the public free of charge.

Mrs. W. C. Fuellhart and her commitee are endeavoring to make the 1951 show more representative than that of 1950, which revealed many paintings, photographs and drawings of an unusually high level. The ceramic display, an interesting addition to last year's show, created favorable comment from the spectators and has, therefore, been included in the entry list for this year.

Since the exhibition is sponsored by the club as a community project, with no entry or entrance fees, previous exhibitors as well as new aspirants are being urged to place an exhibit in the May show.

Rules of the contest are printed herewith to facilitate plans for a contemplated piece of work:

1. The work of school pupils should be assembled by the schools and in the hands of Mrs. Gerda Lawrence, Warren High School, by May 7th.

2. All other entries will be received at the Woman's Club auditorium Monday afternoon, May 14th, from one to six.

3. Only original work which has not been exhibited before at the Woman's Club will be eligible for prizes. By "original" is meant no copies of other artists' work.

4. Pictures must be mounted on cardboard or framed.

5. It is requested that each entry be given a title.

6. There is no size limit on drawings or paintings.

7. Photographs, to be eligible for prizes, must be sizes 8x10 inches or 11x14 inches. These must be mounted.

8. Only amateurs will be eligible for prizes.

9. The contest is open to all Warren county artists.

10. Entries must be claimed Saturday, May 19, at the close of the show, between 5 and 8 p.m.

11. The Talent Recognition Exhibit is open to the public on three days: Thursday and Friday, May 17 and 18, both afternoon and evening, from 2 to 9 p.m., and on Saturday, May 19, afternoon only, from 2 to 5 p. m.

12. Entries are limited to 3 per person.

ANOTHER HONOR FOR DR. CAMPBELL

Dr. LeRoy B. Campbell, musician and teacher, has had another honor added to the many already bestowed upon him by individuals, organizations and publishers. He has been invited by the Clayton Summy Publishing House in Chicago to serve as one of a 15-man board to prepare its new teaching material. Selecting those he believes to be the most experienced teachers in the country, Mr. Summy explains that their combined knowledge will produce material of far greater value than the customary one-man course.

Women of Moose Plan Trip to Kane

At the Wednesday evening meeting of Warren Chapter, Women of the Moose, plans were made for attending the Star Recorder's Day meeting at Kane Sunday. The session is scheduled at 1:30 p. m. and members wishing to make the trip were asked to contact Grace Miller at once.

The meeting began with a Valentine birthday dinner honoring those who have January and February anniversaries, with an exchange of both comic and beautiful Valentines arranged by the committee as one of the features. Grace Miller was awarded the Valentine pin cushion.

Senior Regent Maria Covell conducted the business session, when plans were made for a games party given by Augusta and Hilda Anderson at the latter's home, 222 Oneida avenue, Monday evening, February 19; and a second party at Anne Stigelmier's home the following Monday, February 26.

Prizes for the evening went to Martha Solock and Grace Miller.

BAKE SALE

at Metzger - Wright's, second floor, FRIDAY, Feb. 16th, commencing 10 a. m., by St. Joseph's P. T. Unit.

—Times-Mirror Photo

LIGHTING CANDLES — Mrs. Elizabeth Kiser, 13 Monroe street, will be counting 85 candles on her birthday cake on Friday, February 16. Resident of Meadville for many years, she came to this community only six years ago, is active in the work of the Christian and Missionary Alliance Chapel, and considers fancywork her favorite hobby. She has four children: Marian Kiser, Warren; Leon Kiser, Saegertown; Mrs. Harold Eich, Meadville, and Mrs. Charles Farrah, Trona, Calif.; also 30 grandchildren and 35 great-grandchildren.

BEREAN CLASS

Berean Class members of First Baptist church will meet at 8 p. m. Friday at the home of Mrs. Grover Lind, Jefferson avenue, with Mrs. F. H. Hetrick as assisting hostess.

Everett Borg Will Be Guest Baritone In Choir's Concert

"Ballad For Americans", with words by John LaTouche and music by Earl Robinson, will climax the program when Warren High School A Cappella Choir presents its mid-winter concert in Beaty Junior High School gym next Thursday evening, February 22.

Everett Borg, guest baritone soloist, will sing the role of America in the presentation, for which Carol Barrett will be the accompanist.

Chosen as an appropriate selection for this concert on Washington's birthday, the ballad tells of America's development from the time of the Revolutionary War through many of the critical events of the early history of the nation. It begins with the time of King George in 1776 and repeatedly refers to America's historical events, such as Paul Revere's Ride, the Boston Tea Party, and the First Continental Congress.

The choir provides a background for America's voice, sometimes asking questions and, at other times, simply carrying the melody or humming a counterpart.

Complete details for the program, to be given at 8:15 p. m., will be announced the first of the week by Director Carroll A. Fowler.

BUY U S SAVINGS BONDS

BAPTIST MOTHERS HEAR DR. KRESPAN

Holding their February meeting in the social rooms of the church, the First Baptist Mothers Club members heard Dr. Larry Krespan in an interesting talk on the use of fluoride in drinking water to immunize teeth from decay. He was presented to the group by Mrs. Chester Kyler and showed along with his talk pictures of the teeth and gums, explaining their formation and how they decay. A group discussion followed.

Mrs. Gerald Black presided at the business session and Mrs. Vance Ross conducted the devotional period. To conclude, lunch was served by Mrs. Alfred Lauffenberger, Mrs. Curtis Goodwin, Mrs. C. J. Tipton and Mrs. Margaret Gebhardt.

CHILD STUDY GROUP

Dr. R. E. Lowe was guest speaker at the monthly meeting of the Child Development Study Group, talking on rheumatic fever, its effects on children and the progress medical science is making in combatting this disease. Mrs. N. J. Stevens was hostess, aided by a committee consisting of Mrs. Wadek Swartz, Mrs. Kenneth Patchen, Mrs. DeForest Peterson and Mrs. Russell Jackson.

STEPHENSON-BURKE MARRIAGE ANNOUNCED

Kathleen Burke and Walter Stephenson, both of Youngsville, were united in marriage at Russell Tuesday at 6 p. m. They were attended by the bride's brother and sister-in-law, Mr. and Mrs. William Unterreiner.

Following the ceremony, a dinner was served for the wedding party at Pittsfield Inn. The couple will be at home at 304½ East Main street, Youngsville.

Mrs. Stephenson is associated with her brother in the management of the Circle Barbeque, and Mr. Stephenson is employed at National Forge and Ordnance Company.

KIDNEYS MUST REMOVE EXCESS WASTE

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

More Women Prefer CLOROX! It offers BOTH!

1 *Gentler bleaching action.....*

added protection for linens! There's a special reason why economy-minded housewives launder their costly linens with Clorox. For Clorox *conserves* precious linens... it's free from caustic, *extra gentle!* So if it's cotton or linen, white or color-fast, trust Clorox to make it beautifully snowy-white, color-bright... with gentleness that means maximum life for your linens!

2 *Greater disinfecting efficiency...*

added protection for health! After dinner come the dishes...and disinfection of sink and drainboard with Clorox. That's a health habit in millions of American homes because Clorox not only removes stains and deodorizes, it *disinfects*... better, quicker *than any other product of its kind!* There are many such ways to protect your family's health with Clorox. You'll find them on the label.

Regular 3.98
Medium and large only. Fine quality, ski style only—28 in the lot.

ole Hill Visited y One of Season's orst Blizzards

ColeHill, Feb. 13—Cole Hill was ited by one of the worst bliz-ds of the season Wednesday and ursday. Motor vehicles have en unable to get through the fts. The state snow plows made e trip Wednesday afternoon and the road was drifted full again Thursday morning. The school bus and milk trucks were able to get through Wednesday; the rural mail carrier has not been through since Tuesday.

Torpedo Sunday school is holding school Sundays at private homes until the cold weather is over rather than heat the church. Last Sunday, the church school was held at the home of Mr. and Mrs. Ray McChesney, Torpedo. Next Sunday, the gathering will be at the home of Mr. and Mrs. L. L. Dey at the usual hour, 10:30.

Steve Sudull and his brother, Jesse, of Oregon, drove out here for a week's visit with their brother, Frank, on Holden Hill and other friends on York Hill. The boys are former residents of York Hill. They started their return trip home last Monday, a distance of 3,000 miles. Steve states they made the trip out with $45 worth of gasoline for their car and about $128 for eats and lodging. Jesse and his brother, Charles, were out for a visit a year ago by airplane.

Relatives here have received cards from Mrs. Martha Houghwot, Russell, who is spending the winter in St. Petersburg, Fla.

Ralph Dyke, Lottsville, was a visitor on the hill Monday. Mr. Dyke has taken over the Lottsville Live Stock sales which are held Wednesday afternoons.

Ward Casey, Warren, an agent for the Baltimore Life Insurance Company, was over the hill one day last week. Mr. Casey is establishing a new office in Warren.

Cole Hill folks have had numerous telephone calls referring to the wild animal which is supposed to be roaming this territory the past two weeks. Although reports state the animal has been seen in Garland and Grand Valley, no sign of its has been seen on Cole Hill by any of the farmers. The animal could possibly be a panther as they were commonly found on Cole Hill more than a half century ago, before the large timber was cut.

John Zlko, rural mail carrier, is again carrying the mail after an illness of three weeks. Mr. Zolko has been on the route for more than ten years and carried the mail in all kinds of weather. This is his first time off for sickness.

Seed catalogs have made their appearance in the mails the past week, reminding the farmers of spring. A large flock of robins was seen here as early as the 20th of January.

Friends and relatives gathered at the home of Mr. and Mrs. Charley Benedict recently to help Mrs. Benedict celebrate her birthday anniversary.

A jewelry party was held at the home of Mr. and Mrs. John Zolko at Torpedo Thursday afternoon for housewives in this section.

School children who attend the Garland school enjoyed a hot dog sale last Thursday, with proceeds for the benefit for the eight grade graduation class.

Memorial Fund Is Being Raised By Hospital Auxiliary

Donations are coming in fast for the new fund which will serve as a memorial to Warren county doctors of former years. The fund is being administered by the Women's Auxiliary of Warren General Hospital.

The first five memorial donations were given in tribute to the memory of Dr. Gail Hamilton, Dr. Edwin Africa, Dr. Michael Ball, Dr. William Robertson and Dr. Willis Baker. Each of these Warren physicians served his patients faithfully and skillfully through the years.

Their names will be the first to be inscribed in a handsome leather book which will be on display at the hospital. The donor's name will also be entered but not the amount of the gift.

The money will be spent for lasting memorial tributes the doctors themselves would value. Members of the auxiliary will buy special surgical instruments and other vital hospital equipment which the present doctors need. The memorial book will have a place of honor in the new hospital building.

Hospital Auxiliary officers said no donation to the memorial fund would be considered too small. They urged that all county residents who remember their former family doctors with grateful esteem can pay them tribute through the fund.

HERE AND THERE

Youngsville Has Crossing Accident

William Wolbert, who resides on Route 6 between Pittsfield and Dugall, escaped injury but had a slice taken out of the rear of his car about 4:45 p. m. yesterday when he drove onto the Pennsylvania Railroad tracks at the Ford street crossing in Youngsville in front of a westbound freight train, number 9649.

Wolbert, who is employed by the Youngsville Star Manufacturing Company, had left the plant and was returning for some reason. Witnesses who saw the accident said that the car was on the tracks when the train was on the bridge over the Brokenstraw creek nearby.

The driver succeeded in getting all but the rear end of the car clear, and a hole was sliced in the body as if a large knife had been used. The train was stopped, and the engineer and firemen checked the driver for injuries.

Wolbert drove the car away under its own power after the accident.

Obituaries

GEORGE L. KELLER

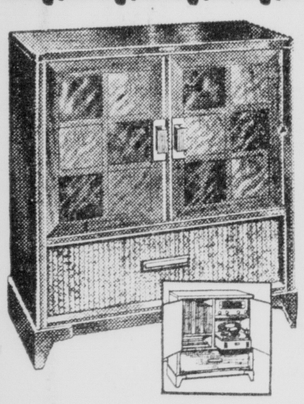

George L. Keller, 102 Jackson avenue, died at 8:30 a. m. today in Warren General Hospital, where he was admitted December 18 for treatment of burns received when he fell and rolled against a stove.

A member of the Warren Firemen's Relief Association, he was the oldest volunteer fireman in Warren county. He was born at Buffalo on May 6, 1862, and lived in Buffalo and DePew, N. Y., before coming here about 50 years ago. He organized the first fire company in DePew in 1893 and served as its chief until he moved to Warren in 1902. In his later years, he was a blacksmith by trade.

Besides his wife, Della Louise Keller, he leaves one son, August A. Keller, Warren; two grandchildren and three great-grandchildren; one sister and three brothers: Mrs. Barbara Heppner, Detroit, Mich.; William J. Keller, Sarasota, Fla.; Charles and Andrew Keller, Buffalo.

He was a member of First Lutheran church and his pastor, Rev. E. K. Rogers, will conduct services in his memory at 2 p.m. Saturday at the Peterson Funeral Home. Interment will follow in Oakland cemetery. Friends will be received at the funeral home at the regular calling hours, starting at seven o'clock this evening.

Nebraska's constitution forbids sectarian schools from receiving public money.

Sugar Grove Dep't Fights Busti Fire

Busti, Feb. 15—Two children, aged 7 months and 20 months, were saved from a burning trailer home near here by their mother, Mrs. Philip Johnson, yesterday morning.

The fire, believed to have been started by a flash back in a turned off oil heater, destroyed the home and all contents.

The younger child, Elaine, was asleep in a crib near the stove when it burst into flames. The heating unit was located in an addition built on to the trailer. Mrs. Johnson snatched the baby from its bed and took it, together with another daughter, Judith, to the home of her parents next door.

Meanwhile a pupil in the Busti village school, located near the burned residence, saw the smoke issuing and cried out to his teacher, Mrs. Allene Graham, who turned in an alarm to the local volunteer fire department. Fire Chief Chester Wilbur and 17 men responded immediately, but the flames had gained too much headway by the time they arrived.

Sugar Grove fire department was called, about a dozen men responding with a tank truck of water which was used in quelling the flames.

Damage was estimated by Johnson last night, at approximately $2,000, not covered by insurance. The couple and their children are staying at the home of Mrs. Johnson's parents, Mr. and Mrs. Arthur J. Rawlings.

Help Reaches Unit Holding Vital Anchor

(From Page One)

drive down central Korea's rocky spine.

The mounting toll of Chinese and Korean Reds rose even higher from unceasing attacks by Allied war planes. U. S. Fifth Air Force combers and fighters flew a record 696 sorties in clear weather Thursday.

Most flights were in close support of ground units which had successfully rolled with the Red punch between Wonju and Chipyong towns.

French, Dutch, South Korean and American forces checked the Red drive along a 20-mile front of ridges and a wide valley between those two towns. A field dispatch described the scene as "death valley."

Hundreds more Chinese and North Korean Reds met a violent end in today's fighting on the central front.

Blueprint of Army Figures is Revealed

(From Page One)

which would tie the hands of Gen. Dwight D. Eisenhower, as commander of Allied forces, by limiting the number of troops that could be placed under his command.

The proposed six U. S. divisions under Eisenhower would be part of a total contemplated defense force of about 40 divisions.

In addition to the U. S. ground forces, there would also be American air and naval units in the combined defense forces.

The large hearing room was crowded as Marshall, took the witness stand.

Senator Connally (D-Tex), presiding, read a pending resolution by Senator Wherry (R-Neb) which would declare the senate feels President Truman should not send more ground forces to Europe until congress passes on the question.

Technically, this resolution is the business before the committees. Administration forces hope to substitute for it a resolution specifically approving the dispatch of troops.

YES, AGAIN

the Times-Mirror is offering you a wonderful saving on Dollar Days, Friday and Saturday, Feb. 16th and 17th, when you can save $1.00 on each year subscription paid on those days. Take advantage of this saving before "Raise in Subscription Price March 1st."

TO HAMOT

Oscar Pang, 107 N. Carver street, who was admitted at Warren General Hospital yesterday morning suffering from a fracture of the upper arm as a result of a fall on the ice, was removed to Hamot Hospital in Erie yesterday afternoon for further treatment.

HAVE BEEN PLEDGED

Allegheny College Chapter of Phi Delta Theta Fraternity reports it has pledged Bruce Forsgren, son of Mr. and Mrs. Raimer E. Forsgren, 108 Quaker road. Theodore N. Smith, son of Mr. and Mrs. Russell P. Smith, Garland, has been pledged to Phi Kappa Psi. Both young men are students in the Freshman class.

BIG ANIMAL SIGHTED

The panther or other wild beast of Grand Valley and Tidioute fame may have been the animal sighted in Tionesta by Mrs. Olson last Saturday night, according to a correspondent from Willow Run, who says Mrs. Olson was watching a deer from her window when suddenly a large animal made a dash at the deer and soon both were lost out of sight in the woods.

TO ERIE

Prothonotary Ralph E. Sires will visit the prothonotary's office in Erie today to make a survey of the road docket kept there. He expects to install a new system for Warren county, in line with many improvements in record keeping which have been put into effect in his office during the past few years.

NAMED TO BOARD

At the February meeting of the Children's Aid Society board, Mrs. Paul Harrington, 1105 Conewango avenue, was elected a new board member to fill the unexpired term of Mrs. John L. Blair. Membership in the borough and county to date was reported at 852. After some discussion, it was decided a committee will be appointed to revise and state more clearly the general policies of the organization.

GUEST PREACHER

Rev. C. W. Baldwin, pastor of Grace Methodist church, will leave Friday for a week's preaching mission in the Pittsburgh Conference. He has been assigned to the First Methodist church in Kittanning, where he will help in the Evangelistic Advance emphasis of that conference. He expects to return to Warren February 24. Dr. H. H. Barr, former pastor of the parish and now retired, will fill the local pulpit Sunday.

AT DISTRICT CONCERT

Dragon Band members from Warren High School, playing in the Northwestern District Band concert today and tomorrow, left for Franklin at 6:30 this morning in cars driven by Harold Stohl and Harry A. Summers, their director. Six musicians from Warren were chosen for places in the District Band: JoAnn Richards, bass clarinet; Marcia Stevens, first flute; Helen Way, alto clarinet; Robert Cowden, first clarinet; Johan Stohl, solo cornet; and James Valone, first clarinet.

HAS EYE OPERATION

Harry A. Decker, 610 Pennsylvania avenue, west, has received word that his son, Pvt. Arthur L. Decker, serving with the Army Air Corps, is recovering satisfactorily after a major eye operation performed in the air base hospital in Denver. He would like to hear from friends and mail may be addressed as follows: 3430 Student Squadron, 3415 Technical Training Group, Box P-7034, Lowry Air Base, Denver, Colo.

PLAN FOX HUNT

Warren Field and Stream Club today announced that a fox hunt will be held in the Chapman Dam district near Clarendon Sunday morning and afternoon. Those desiring transportation will meet at Don Finley's store at 9 a. m., while others will assemble at Chapman Dam at 10 a. m. More than 50 members of the Kane Sportsmen's Club will join in the hunt. The popular "Fox Hole Inn" will be set up to serve its famed hamburgers and coffee. Hunters were reminded that shot guns only will be permitted.

Attlee Regime Faces Crucial Test in Vote

(From Page One)

Eight liberal MP's—one too ill to be present—will decide shortly before tonight's vote whether or not to support the motion.

If the motion is adopted, Attlee's government will resign and the king then either will call on Churchill to form a new government, or call for a general election, which recent polls say the Conservatives would win.

The vote will be the third in seven days on motions which, if adopted, would have required the government to resign.

The first marriage in Plymouth Colony occurred on May 12, 1621.

House Committee Studies Senate's U. M. T. S. Measure

(From Page One)

its professional staff to make an analysis of the senate bill as a possible pattern to follow in its own closed-door consideration of the administration-urged plan for bolstering the nation's military manpower.

It was generally believed, however, that the house group is far from satisfied with either the senate bill or the original measure proposed by the department of defense. It has called for additional testimony from department officials, and probably will not complete its bill before early next month.

The senate measure would authorize induction of 18-year-olds but only after their draft boards have exhausted all available men in the 19 through 25 age bracket.

It would lengthen the required period of military service from 21 months to 24 months "exclusive of leave."

New York Couple Held in Plot on Life of President

(From Page One)

Assistant U. S. Attorney Frederick Block told the judge that a dinner meeting was held in the Correa home two weeks before the attempted assassination of President Truman.

The prosecutor said that one of those at the meeting was Oscar Collazo, one of the two Puerto Ricans who tried to blast their way into Blair House where the president was resting.

The government believes, Block said, that the dinner "was a conspirational meeting at which plans for the assassination of President Truman were laid and at which Collazo was selected."

Collazo, a New Yorker, was wounded in the Blair House battle and is under indictment in Washington for the murder of a presidential guard. His confederate, Griselio Torresola, also a New Yorker, was shot to death during the assassination attempt.

Service Awards Presented Nine Lions Members

(From Page One)

and far exceeds the quota set for the county by the state organization.

H. M. Miller, making his first report for the Heart Association, another club project, said two contributions of $1,000 each had been received, and that other receipts for the campaign, which is now in full swing, total $797.

Drinking Water Is Assured Ice-Bound Columbia Few Days

Columbia, Feb. 15—(AP)—Pure drinking water for another few days was assured the 12,000 residents of this icebound river town today by a good neighbor gift of more than 7,000 gallons.

A relief caravan of several dozen trucks and passenger cars yesterday brought in the badly needed supply from York, 13 miles away.

The project was initiated by York firemen, Boy Scouts and two dairies, which donated hundreds of milk cans to hold the water. York police helped, too, making up an escort to speed the caravan on its mission.

The water was unloaded at a local dairy, turned into an emergency storage center.

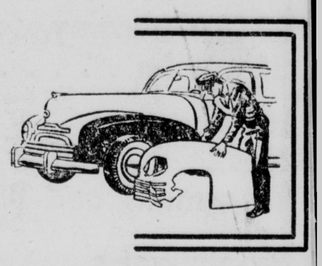

The town's own flow of water was cut off last Friday by a huge ice jam in the Susquehanna river which flooded the water works pumping station. For a while "operation waterlift"—a truck shuttle service between Columbia and nearby towns—helped to relieve the shortage. But the lift stalled yesterday in mud on the soft road leading to the unloading point.

In response to Columbia's appeal for state help, Gov. John S. Fine assigned Hugh M. McNeill of the commonwealth disaster committee to try to find other sources of water.

PERSONAL ITEMS

Elmer Wenzel, of Warren R.I. has been removed to his home from WCA hospital in Jamestown where he recently underwent surgery. He is reported "getting along nicely."

Everyone enjoys BIGGER VALUES at LOBLAWS

Campbell's PORK and BEANS

Campbell's Pork and Beans with tomato sauce is truly a big meal in a can. All you need to do is remove the contents to a sauce pan or casserole, heat and serve. When served with brown bread and a tossed salad they make a good lunch. They are an outstanding value this week in all Loblaw stores. Don't miss this big Loblaw extra.

2 1-lb. tins 23c

Chase and Sanborn COFFEE

Chase and Sanborn's pressure packed is entirely new. With pressure—it's fresher! When you turn the key and open this new pressure packed can you will hear a s-s-s-s. You will sniff the rich aroma of fresh ground coffee. Those are signs of coffee packed under pressure fresh from the oven, signs of coffee fresh as science can make it.

lb. tin 88c DRIP or REGULAR

WILSON'S MOR

Wilson's Mor is a delicious luncheon meat made with chopped pork. Try Mor grilled with eggs or try creamed Mor on toast or Mor is good with baked beans or in a tossed salad. Mor also is used in sandwiches or cut into cubes for canapes. Many people like it baked whole and served hot. It's a big Loblaw extra value this week.

12-oz. tin 43c

Town House CRACKERS

BY ONTARIO

Town House crackers by Ontario are growing more popular every week. Ideal for serving with soups or fruit desserts. They are also very popular when served with cocktails. Town House crackers are an outstanding extra value in all Loblaw stores this week.

lb. box 29c

Sun Harbor TUNA

CHUNKS AND FLAKES

Sun-Harbor light meat tuna packed in chunks and flakes is a mighty economical tuna fish for salads or sandwiches. It is packed in salad oils by America's foremost packer of tuna. It's an outstanding Loblaw extra value this week.

No ½ can 29c

Realgold ORANGE CONCENTRATE

One 6-ounce can of Real Gold Orange base makes one full quart of delicious fresh tasting orange juice. This is the concentrated pure juice of ripe California Valencia oranges. Each 8-ounce serving provides the minimum daily adult requirement of natural vitamin C. No sugar required. It's an outstanding Loblaw extra value this week.

2 6-oz. cans 29c

Sunshine SHREDDED WHEAT

Enjoy the fresh goodness of this vitamin-rich cereal. It is a big Loblaw extra value this week. It's a meal in itself when served with cream and sliced bananas.

WARREN MAN PROMOTED—Knights Life Insurance Co. today announced appointment of Nick A. Pirillo, 829 West Fifth avenue, as assistant superintendent of the Warren district. He will have charge of men in Warren, Bradford, Kane and Corry. A veteran of World War II, Pirillo is married and has two children. He is a graduate of local schools and also the Bryant and Stratton Business Institute of Buffalo, and has made a fine record as an agent for the insurance firm in Warren for the past two years. (McInfosh Studio Photo)

Lander Boy Hurt In Action Patient In Korea Hospital

Lander, Feb. 14 — Mr. and Mrs. Bert Van Ord have received word that their son, Floyd, is in a field hospital in Korea, receiving treatment for a shrapnel wound in his knee and a broken right arm.

In a telegram which came from the adjutant general's office yesterday, the family learned his injuries dated from January 29. Known to his friends as "Corky," Pfc. Van Ord was first wounded August 8, with a second hospitalization in November or early December for a foot injury.

Mrs. Evelyn Wilcox has received word from her son, Arden Wilcox, CTC, that he is being transferred from Skaggs Island, Calif., to Point Lautauy, North Africa, in April. Chief Wilcox was graduated from Lander High School and has served ten years in the navy. He is married and has two children, a daughter five years old, and a son, aged three months, who will return to Jamestown to make their home when he leaves on his new assignment. He will visit his mother and other relatives here before leaving for Africa.

The ling fish produces about 30,000,000 eggs at one time.

Tidioute Has Part Countywide Alert And Air Raid Test

Tidioute, Feb. 15—Tidioute participated wholeheartedly in the countywide alert and air test. Air warning posts were manned from 9 a. m. until 6:00 p. m. Saturday and 9:00 a. m. until 5:00 p. m. Sunday. A total of six planes was reported Saturday and two Sunday. The following observers manned the observation post: Donald G. Harris, C. Evans Ulf, Hazel G. King, Dorthea Copeland, Kitty Miskimon, Krug Cyphert, Elliott Lanning, Arther King, Fred C. Barr, Mrs. Guy Downey, Mrs. Hickman, Genevieve A. Brown, Esther E. Gulley, Lenore McIntyre, under the direction of James Summerton, in charge of civilian defense; G. K. Lodge and George McKown, supervisor and chief observer for the ground observer corps. Sunday afternoon, the post was officially inspected by the county officers, Harry F. Schmidt, W. F. Clinger, L. E. Linder, P. C. Ostergard, A. D. Wade and Ben Kinnear.

A check of the effectiveness of the air warning siren revealed that residents for several miles out into the country were able to hear the warning and the all-clear. Only a few calls were received to find out where the fire was.

Mr. and Mrs. George P. King and daughter have left to spend the remainder of the winter in St. Petersburg, Fla.

Mr. and Mrs. K. K. Grettenverges have left by motor for Arizona, where they will spend several weeks.

Mrs. Greenlee, Titusville, who recently fell and broke a hip, is now a patient at the White Rest home.

Mr. and Mrs. Richard Kapp and young son of Huntington, W. Va., were weekend guests of the former's parents, Mr. and Mrs. F. E. Kapp.

Do you suffer distress from 'Periodic' FEMALE COMPLAINTS with NERVOUS feelings several days 'before'?

Do functional monthly ailments make you suffer pain, feel nervous, strangely restless, weak—at such times, or just *before* your period?

Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's Compound has a soothing antispasmodic action *on one of woman's most important organs.* It not only relieves this monthly pain but also pre-period nervous, tense emotions of this nature. Regular use helps build up resistance against such female distress. Truly *the woman's friend!*

cret of "Flying Saucers" Revealed In Magazine Story

York—(AP)—A Navy of- confirmed today that "fly- aucers" really existed, but actually were huge plastic balloons used in high-altitude cosmic ray studies.

Dr. Urner Liddel, chief of the nuclear physics branch of the office of naval research, made this disclosure in an article in the current Look magazine.

Liddel, in Washington, discussed the Look story further when newsmen queried him.

The navy balloons, Liddel declared, were 100 feet in diameter and sometimes rose to a height of 19 miles. He added that winds might sweep them along at 200 miles an hour.

At dusk, the slanting rays of the sun lighted up the balloons' bottoms, giving them the saucer-like appearances, Liddel said.

He added that many of the disks were sighted as the sun set.

Liddle said the existence of the big balloons was kept secret because the project was connected with atomic developments.

Liddel, who was in charge of the balloon tests, said they carried instruments to record the results of collisions between cosmic rays and atoms in the earth's atmosphere.

He added that secrecy was "no longer" necessary.

The physicist said 2,000 reports of "flying saucers" were checked, and those considered "whimsical" were eliminated. Of the "reliable" reports, he said "there is not a single observation which is not attributable to the cosmic balloons."

These balloons, called skyhooks by the Navy, were first used in 1947, about the time the disks were first sighted. Liddle said reports of "flying saucers" increased or decreased in proportion to the number of balloons sent aloft.

Liddle said he was convinced that a "saucer" photographer at 77,000 feet altitude over Minnesota was a skyhook.

RENT CONTROL NEWS RELEASE

Office of The Housing Expediter, Area Rent Office, 707 Commerce Building, Erie, Penn'a

1. Question: "My landlord refuses to give me a receipt for the rent. Is he required to give me a receipt?

Answer: If the dwelling unit you occupy is under rent control, the landlord is required to give you a receipt. Section 7 (b) of the Rent Regulation for Housing and Section 7 (c) of the Rent Regulation for Rooming Houses state, "No payment of rent need be made unless the landlord tenders a receipt for the amount to be paid."

2. "I frequently hear references to the Rent Office and to the Rent Board. Are they the same? If not, what is the difference? Are orders increasing rent issued by the Rent Board or the Rent Office?

Answer: All orders are issued by the Rent Office and not by a Rent Board. At no time since the beginning of rent control has there been any group of people in any defense rental area which have carried the exact name or title of "Rent Board." Since July 1, 1947 Congress has provided for the appointment of at least one Rent Advisory Board in each defense-rental area which has the power to make recommendation to the National Office of The Office of The Housing Expeditor on matters of removal of rent control from an area or part of an area or concerning a general rent increase. This Rent Advisory Board also makes recommendations to the local rent office on cases in which landlords or tenants have appealed the decision of the Rent Office to the Rent Advisory Board. The members of the Rent Advisory Board are appointed by the Housing Expediter on recommendation of the Governor of the state. They serve without pay and represent a broad cross-section of the community.

3. Question: "It a tenant in a rooming house entitled to the same protection from eviction that a tenant of a house or apartment has?

Answer: Yes! With only a few minor differences a tenant in a rooming house is entitled to the same protection from eviction that a tenant in a house, apartment or flat possesses.

4. Question: "My tenant has recently brought in three additional occupants into my six-room flat. They are a daughter of the tenant, her husband and also the mother of the tenant. What can I do to secure an increase in rent? The original occupants since rent control have been the tenant, his wife and son.

Answer: You should petition the Rent Office on Form D-1 for an increase in rent stating that the occupancy is above normal occupancy on the freeze date for this type of accommodations. If you need help to complete the petition form, one of our consultans will assist you to prepare the necessary forms.

5. Question: "What office hours does the Rent Office have in Warren County each week?

Answer: Rent Consultant A. J. Jackson has office hours in Warren County as follows: Warren, Pa., at the Post Office Building, Room 12, each Thursday from 10 A.M. to 12 Noon and from 2 to 3 P. M.

Bell Co. Clerk Honored

Completion of 35 years service with the Bell Telephone Company of Pennsylvania was marked yesterday by Miss Rose S. Nelson, of 514 Whipple street, Sheffield (above) clerk in the Company's Warren business office.

She was honored last night at a special dinner attended by company officials and co-workers at the Bide-A-Wee In, Warren. She was presented with a gold service pin by H. M. Stevenson, district manager of the company.

Miss Nelson is a native of Sheffield and a graduate of Sheffield High School. She is active in the work of the Bethany Lutheran church and teaches Sunday school there. She is also a member of the Telephone Pioneers of America.

HOME FROM SOUTH

Mr. and Mrs. Peter P. Horning have returned from a motor trip through Florida. They were accompanied by their daughter, Mrs. Edwin E. Bliss, and her son to Ft. Benning, Ga., where Lt. Bliss is temporarily located.

More than 10,000 books, or one every 98 hours for 112 years have been written on Napoleon's life.

NOTICE

Sealed Bids will be received by the Town Council of the Borough of Warren, Pennsylvania, at a regular meeting of said Council to be held on the fifth day of March, 1951, at seven-thirty o'clock P. M., E.S.T., for the purchase of the following:—

One (1)—¾ Ton Pickup Truck to be equipped with four (4) speed transmission, heater, defroster, spare tire.

The successful bidder is to take as part payment for the above one (1)—Dodge—1938—½ Ton Pickup Truck, which may be seen at the Borough Garage, 106-108 Crescent Street, Warren, Pennsylvania.

Delivery of the above to be made f.o.b., Warren, Pennsylvania, with all taxes and transportation charges paid, within sixty (60) days after bid is accepted.

Each bid must be accompanied by a certified check of the bidder for ten percent (10%) of the amount of the bid as a guarantee that he will enter into a contract for the furnishing of the pickup truck and equipment specified, if bid is accepted.

The Street Committee and the Borough Council reserve the right to reject any and all bids.

M. L. DOUGHERTY,
Borough Secretary.

Sugar Ray Wins Over LaMotta In Middleweight Bout

Chicago, Feb. 15—(AP)—Sugar Ray Robinson today became the first man in ring history to win one championship and lose another all in the same battle.

Th rhythmic New York negro, defeated only once in 124 contests, last night won the world's middleweight championship by hammering durable Jake LaMotta, 160-pound title holder, to defeat on a 13 round technical knockout before 14,802 frenzied spectators in the Chicago stadium.

As his right-gloved fist was raised in victory, Robinson automatically relinquished his welterweight crown. He was forced to surrender it under a ruling of the National Boxing Association and also by decision of Eddie Eagan, chairman of the New York State Athletic Commission, which operates independently of the NBA.

Under the terms of last night's match, Robinson is required to give LaMotta a return bout, probably in New York, next June. However Truman Gibson, secretary of the sponsoring international boxing club, wondered if LaMotta wanted to face the prospect of absorbing another beating from his conqueror.

LaMotta remained in an unfavorable condition for two hours after he walked from the ring under his own power. He was immediately administered oxygen when he reached the dressing room. He was completely exhausted and suffered chills.

Dr. J. M. Houston of the Illinois Athletic Commission and Jake's own personal physician, Dr. Philip Burnori, New York, remained in constant attendance until he was able to leave for his downtown hotel quarters with his wife, Vicki.

The attendance gate was $180,619 and the net was $138,939. The attendance exceeded expectation despite television and its estimated 30,000,000 viewers. LaMotta's share of the gate was $62,520 and Robinson received $20,840. Each fighter also had a TV cut of $1,500.

LaMotta held the middleweight championship two days short of 20 months. He won it from the late Marcel Cerdan of France at Detroit, June 16, 1949. He successfully defended it twice. Robinson had ruled the welterweights since Dec. 20, 1946.

The rugged LaMotta, never knocked off his feet in 95 contests, retained this dubious honor in losing to Robinson. The bout was stopped at 2:04 of the 13th round.

Two Tilts Slated Saturday Night at Youngsville High

Two basketball games will be staged on the Youngsville High floor Saturday night when the Youngsville Merchants battle the Warren Business College and the Youngsville Bombers meet the New Process.

Both the Merchants and the New Process are entered in the Y City League, while the Bombers and Collegemen are independent squads. In the second half standings the Merchants are currently holding down third place with a 2-2 record, and the Process is dwelling in the cellar with four losses and no wins.

Games will start at 7:15 o'clock.

TODAY is pay day for all the folks who have classified ads.

Lead Position Is At Stake Tonight In Y Floor Loop

The lead position in the second half of the Y City League will be decided tonight when the Style Shop (3-0) and the Atlantic (2-0) clash at 8 o'clock. At 7 o'clock the Rockets, now in second place, tangle with the third place Youngsville Merchants.

Both the Style Shop and the Merchants registered double wins over tonight's opponents in the first half, but a change in the tide could very easily occur. The Rockets lost two games to the Merchants, but made a terrific comeback, handing the Style Shop their only defeat of the season, and have gone on to lose only a single contest in their following six games.

A triumph for the Style Shop would give them six in a row, 13 in 14 starts, and make the Stylist league leaders once more. Similar results for the Rockets would mean second place honors for the first time this season and leave the Atlantic and Merchants in third and fourth positions.

Seven members of the league individual scoring race will also be in action tonight. Leading pointmaker, Jim Peterson, of the Ramblers, is not included in the action, but should still retain his 15 point game average with 213 points scored. Bill Weidert holds down second place with over 14 points a game.

Scorers with highest game averages:

	GP	G	F	Pts
Peterson (Ra)	14	80	53	213
Weidert (A)	12	75	22	172
Baldensperger (N)	13	75	26	176
S. Smith (Y)	14	83	20	186
Nelson (S)	13	70	12	152
Jackson (Ra)	12	59	12	130
Simpson (S)	13	59	12	131
B. Pollard (Y)	14	57	22	136
Massa	8	34	8	76
T. Cannon (Ra)	11	43	18	104

Warren Grapplers Face Grove City At Beaty Tonight

Warren High wrestlers, coached by Bob Jewell, will make their final home apearance of the season tonight when they meet the Grove City grapplers at Beaty gym.

The bouts will get under way at 7:30 o'clock.

A feature of the match will be an exhibition between two fifth graders, Jimmy Hewitt and Kenny Hoffman, who have been working out under supervision of Jimmy's father, Borough Policeman Bill Hewitt, a former championship wrestler at the University of Illinois.

The entire Warren squad will go to Titusville on Saturday for the district wrestling meet. Semi-finals are slated for the afternoon while the final bouts will be staged in the evening.

The Dragon's 1950-51 wrestling card will close a week from tonight when the locals will tangle with the Oil City squad at Oil City.

Dragon Floormen To Meet Oil City In Sect. 2 Scrap

Warren Dragon basketballers stack up against the Oil City Oilers, last year's Section 2 champions, tomorrow night. The game will be played on the Oil City court, starting at 8:15 o'clock. The first meeting between the teams ended in a 56-39 triumph for the Oilers.

A second Section 2 game will pair Meadville, current leader of the league campaign, against Franklin on the Meadville court. A win for Meadville will assure that club of at least a tie for top rung on the Section 2 ladder.

Other games on Friday night's card include:

Wilcox at Sheffield (Allegheny Mountain League).

Youngsville at Hickory (Upper Allegheny League).

Sugar Grove at Tidioute (Upper Allegheny League).

Emporium at Kane (Allegheny Mountain League).

Brookville at Bradford.

Corry at Erie Strong Vincent.

Millcreek at Titusville.

Spartansburg at Townville.

Monthly Meeting of Soil Conservation District Directors

The highlight of the monthly meeting of the Warren County Soil Conservation district directors was the report by L. L. Johnson on his recent trip to Harrisburg. The trip was made by Mr. Johnson, Mr. Seavey, County Commissioners and Stanley Laurence, chairman of the district board, to the annual meeting of the Pennsylvania Association of Soil Conservation Districts.

Mr. Johnson spoke very highly of Milton Eisenhower, president of Penna. State College, who addressed the gathering. He was also favorably impressed by the expressions of action by the various agencies that are cooperating with the Soil Conservation Districts.

The commissioners, through Mr. Johnson, announced the reappointment of Allan P. Lindell, for a four year term as district director. He is at present serving as Secretary and Treasurer of the board.

Oscar Kimmel, of the State Soil Conservation Commission, was present at this meeting and discussed the recent agreement with the directors.

Routine business was transacted.

Those present included Stanley Laurence, Carl Peterson, Paul Mitchell, district directors; L. L. Johnson, commissioner member; Oscar Kimmel, State Soil Conservation Commission; Clarence Bittenger, A. H. Vogler, Penna. Dept. Forests and Waters; Ralph G. Eckert, Soil Conservation Service.

Budget Discussed By Supervisors of Sheffield Township

Sheffield, Feb. 15—An inventory of books at the Sheffield township library located in the Odd Fellows building will be taken beginning next Monday, according to Mrs. George Ledebur, librarian. The inventory will necessitate closing of the library throughout most of next week. Mrs. Ledebur urged persons having books out on loan to return them to the library this week-end.

It is believed the Sheffield township budget for 1951 will remain the same as last year with a few minor changes caused by a changed evaluation of property in the township. The exact figures for the budget have not been compiled due to the illness of the township secretary. The board of supervisors met last night at the township building to discuss the proposed budget. Carl J. Anderson, chairman of the board, reported on his trip the first of the week to Pittsburgh to attend a convention of township supervisors and also reported on the used Galion power grader he inspected in Carnegie. No decision was made concerning purchase of a used power grader.

The Veterans of Foreign Wars will meet this evening at 8 p. m. at the clubhouse. Refreshments will be served.

The Ladies Aid Society of the Bethany Lutheran church will meet at 2:30 this afternoon at the church.

Public Invited To Defense Meeting In Russell Tonight

Residents of the Russell area are reminded of the civil defense organizational meeting to be held in the Fire Hall at eight o'clock this evening. Farmington, Pine Grove and Elk townships, designated as District No. 2, will be set up under Ray S. Thompson, district director.

County defense officials and division heads to be present at this evening's meeting include Judge Allison D. Wade, county coordinator; W. F. Clinger, deputy coordinator; Sheriff L. E. Linder; Prothonotary Ralph E. Sires; P. C. Ostergard, assistant deputy coordinator; Francis J. Buchanan; Harry Schmidt, and others.

Word was received here this morning that all county civil defense officials will be expected to take an oath of allegiance, according to the Act of Legislature of January 12, 1951. A copy of the oath is being sent to all county headquarters from Harrisburg, and swearing in ceremonies will take place here when the necessary information is received.

WARREN LOSES MATCH

Warren High School's Junior Rifle Club in its first league postal-match was defeated by the Kane High Club 963 to 950, it was announced at the local school this morning by Joseph V. Passaro upon receiving the listing of the Kane boys' scores. Scores posted by Warren team members were Hook, 194; D. Johnson, 186; Wester, 187; W. Johnson, 194; and Cowden, 189. Sponsored by Mr. Passaro and Robert Resh, of the high school faculty, the Dragons will be recording their scores next week to be sent to Bradford for their second league match.

GATES WRECKED

Pennsylvania Railroad crossing gates at the depot crossing were damaged about 11:15 p. m. yesterday when a 1937 Ford car, driving west, crashed through the barriers just as the crossing watchman lowered them. The watchman told police he did not secure the license number of the car. City police are investigating.
